

# Life at Keeyask Camp

*One team. One mission.*

We work hard to ensure everyone employed on the Keeyask Project experiences a respectful and equal opportunity workplace. We are one team with one goal and we each have a role to play in achieving that success.

Life at Keeyask Camp provides every comfort. Each worker has their own private and spacious room with ensuite washroom and a 32-inch wall-mounted LED television. A 24-hour dining facility provides a range of healthy meals and snacks prepared on-site.

During downtime, workers can:

- **Stay fit at the recreation centre that has the latest exercise equipment, a full-sized indoor track, two basketball courts, racquetball/squash courts, and daily fitness classes.**
- **Relax in the lounge-style gaming centre complete with pool tables, foosball, ping pong, pinball machines and other arcade and gaming systems.**
- **Watch a movie or sports event at one of two movie theatres that feature surround sound and high-definition projectors.**

## Is Keeyask right for you?

At Keeyask you can make good money, learn new skills and advance your career. But it's hard work and shifts are 21 days on, 7 days off.

Some people do really well here, others have trouble finishing their first shift, but most do fine once they get used to it.

Only you can decide if Keeyask is right for you.

The Keeyask Success Guide on [keeyask.com](http://keeyask.com) has quizzes and information to help you make that choice and prepare to come to Keeyask for the first time.

"I am learning all kinds of new things at Keeyask. This project is exciting and challenging and when it is done, I will be proud to say I was part of the team."

**Rose Connell**

Truck Driver,  
BBE Ltd.

## How to apply

All craft/trade applicants must use the Keeyask Job Referral Service (JRS) at [gov.mb.ca/jrs/keeyask](http://gov.mb.ca/jrs/keeyask) or call toll-free **1-866-332-5077**, or visit the JRS office in Thompson at North Centre Mall, 118-3 Station Road.

You can also contact a Job Seeker Manager through an authorized community registration agency, if you are a member of:

- **Fox Lake Cree Nation (Gillam) 204-652-5423 ext. 520 or 431-285-3386**
- **Tataskweyak Cree Nation 204-342-5054**
- **War Lake First Nation 204-288-4315**
- **York Factory First Nation 204-341-2236**

For more information on the Keeyask Project, visit [Keeyask.com](http://Keeyask.com).

For information about employment opportunities with Manitoba Hydro, visit [hydro.mb.ca/careers](http://hydro.mb.ca/careers).

# Building Keeyask builds opportunities

## Come work on the Keeyask Generating Station

## About Keeyask

The Keeyask Project is a 695 megawatt (MW) hydroelectric generating station, being developed in partnership between Manitoba Hydro and four Manitoba First Nations – Tataskweyak Cree Nation, War Lake First Nation, York Factory First Nation, and Fox Lake Cree Nation. Working together, the partners are known collectively as the Keeyask Hydropower Limited Partnership (KHLP).

Located on the lower Nelson River, approximately 725 kilometres north of Winnipeg, construction of the Keeyask Project includes:

- **A powerhouse containing seven turbine generators;**
- **A spillway stretching across the South side of Gull Rapids;**
- **Dams across Gull Rapids; and**
- **Dykes on the north and south sides of the reservoir.**

Once completed, Keeyask will provide renewable energy to fuel our province's future.

"Working here gave me the chance to reunite with my family and get in touch with my history and culture. I tell the youth, we have such an opportunity here at Keeyask."

**Simeon Spence**  
Manager, Sodexo

"My crew is one of the best crews I've worked with. It's like another family, and that is what makes me come to work every day. There is good, positive energy here."

**Adam Spence**  
Northern Maintenance Services

"It's like home – the meals, entertainment. The people I work with are great and everyone tries to help each other and learn together when you start."

**Brian Chapman**  
Rock Truck Operator, BBE Ltd
