

## Application for Exemption from Self-Isolation Before Travel to Site

Individuals who have been **Fully Vaccinated** and would like to be exempted from the required period of self-isolation before travel to site, can voluntarily apply for an exemption.

**Fully Vaccinated:** individuals are considered fully vaccinated from COVID-19 14 days after receiving their second dose of a 2-dose vaccine or 14 days after receiving a single-dose vaccine.

**Complete and submit this form to your employer, include proof of your COVID-19 vaccination.**

<b>Current Date:</b>	
<b>Name:</b>	
<b>Contractor:</b>	
<b>Position:</b>	
<b>Residence (City/Province):</b>	
<b>Date of First Dose:</b>	
<b>Date of Second Dose: if applicable</b>	

### Checklist:

- I have included proof of my COVID-19 vaccination.
- I authorize the disclosure, both verbally and in writing information relating to my COVID-19 vaccination to Manitoba Hydro.
- I understand the purpose for disclosing this personal health information to Manitoba Hydro and that this disclosure is voluntary. I further understand this information will remain confidential and will not be made part of my employment record.
- I declare that I have received my second dose of the 2-dose vaccine or a single dose vaccine and will be fully vaccinated on \_\_\_\_\_ (14 days after final dose).

**I declare that I have complied with the above-noted requirements and that this information is accurate and true. I understand that providing incomplete or inaccurate information could lead to disciplinary and/or removal of site access.**

**SIGNATURE:** \_\_\_\_\_ **DATE:** \_\_\_\_\_

*The exemption from self-isolation before travelling to Keeyask for those that have been fully vaccinated is not permanent. Future **evidence of immunity** to COVID-19 for those who apply for the exemption may be required in order for their exemption from self-isolation to be continued.*

*Manitoba Hydro shall review the current pandemic situation on an ongoing basis and determine if and what ongoing **evidence of immunity** may be. As a result of such reviews, Manitoba Hydro may request additional information regarding an applicant's immunity at any time.*
